

## Introduction of the GUMEX company

The company GUMEX, spol. s r. o. is a family business started in 1994 in the Czech Republic. Since 2006 the company operates also in Slovakia as GUMEX SK, spol. s r.o.

We offer our services in Strážnice, Brno, Prague, Bratislava, Žilina and Košice. We take care of more than 12 thousand customers, companies and sole traders. We employ more than 150 people in the Czech Republic and in Slovakia. We have storage, production and operation area of more than 13 000 m<sup>2</sup>.

In our business we follow these basic values: honesty, system and order. We approach our offer of products and services with maximum responsibility. We value expert knowledge, functioning processes and constant development. The proof of our responsible and systematic approach to the trade is the fact that we are holders of the ISO 9001:2016 certificate. The audit was conducted by the certifying authority TÜV SÜD Czech s.r.o.

We specialize in these products and services:

- Industrial hoses and fittings, including their completion
- Sealing profiles, sealing material and sealing products
- Rubber and plastic floor coverings and mats for industrial use
- Conveyor belts and their service and assembly
- Tailor-made acoustic insulation
- Gate and passage foils and their assembly
- Tailoring of our products
